The screenshot shows the Lighthouse accessibility audit for the Apple website. The main content area displays the Apple homepage with a dark background featuring a central Apple logo surrounded by colorful icons of various Apple products like phones, tablets, and watches. Below the logo, the text "The Apple Store Shopping Event" and "Get an Apple Gift Card with an eligible purchase. Starts 11.28." is visible, along with a "Learn more" button.

Accessibility

These checks highlight opportunities to [improve the accessibility of your web app](#). Automatic detection can only detect a subset of issues and does not guarantee the accessibility of your web app, so [manual testing](#) is also encouraged.

CONTRAST

⚠ Background and foreground colors do not have a sufficient contrast ratio.

These are opportunities to improve the legibility of your content.

BEST PRACTICES

⚠ Touch targets do not have sufficient size or spacing.
